

EVALUATION OF INITIATIVES – OCTOBER 2010

Office	Date	Event	No of Registration applications taken	Cost per application	Comments
Londonderry	4 October	Chinese Welfare Association – Ebrington Centre	11 Registration and 9 ID applications	£3.97	This was a one-off event for the Chinese community to learn about the EONI, the electoral register and voting in NI. If further clinics are required they will be carried out at the local office with little or no cost involved. It was successful in that there were a reasonable number of new electors added to the register and also we were able to update the records of others as well as portraying the EONI in a positive light. This was a great opportunity to promote equality and reach out to a minority group who knew very little about the EONI and registration.
