

The only outlay was a fee of £70.10 for swerving the Requisition to provide information. No accurate figures are available for the staff time spent on the matter but this has been estimated at 6 hours which using our standard ready reckoner figure for the relevant grade that equates to £66.48. Figures are not held separately for accommodation costs, postage, telephone and other sundries but it is assessed that £10 would easily cover all these matters.
