

Dear

Request for Information

I refer to your letter of 18 September in which you requested the following information:

“The total number of electors at each polling station at the Assembly elections in November 2003 in the constituency of East Belfast”.

I am enclosing a list of the number of electors who were eligible to vote at each polling place for the Assembly election. We do not hold information regarding the number of electors who voted at this election broken down into polling place, but the number of electors who voted in the Belfast East constituency as a whole was 31,524.

I hope this is helpful.

Yours sincerely,

Information Officer
