

**Your FOI request dated 5 April 2009:**

- **How many people who submitted registration forms between 1st February 2008 and 1st February 2009 were added to the electoral register in each constituency?**
- **How many eligible people who submitted registration forms between 1st February 2008 and 1st February 2009 were rejected in each constituency?**
- **How many duplicate registration forms were received between 1st February 2008 and 1st February 2009 in each constituency?**

1. Please note that the Electoral Office does not record statistics by calendar month. The information given below is for the registration period closest to the dates specified in your request.
2. The figures relate to forms received not people. The number of people involved will have been considerably less than the number of forms as many of those whose original application was disallowed will have been successful later.
3. Subject to the above the information you requested is as follows –
