

Dear

I refer to your recent enquiry regarding the cost of employing Electoral Canvassers in the Moyle area.

There were fourteen Electoral Canvassers employed in the Moyle area during this year's annual canvass of electors. The total amount paid in fees was £6,311.75. Please note that this figure does not include Electoral Office National Insurance contributions, as it is not possible to determine contributions paid by area.

I hope this is helpful.

Yours sincerely,

Information Officer
