

Dear

The cost to the Electoral Office of successfully opposing the two applications for Judicial Review was £5,819 inclusive of VAT. That figure relates solely to legal fees which amounted to £4,966 in respect of the O'Muilleoir application and £853 in respect of the Toner application. Figures are not available in respect of the cost of the Electoral Office staff time, use of premises etc relating to these cases but it was not significant.
