

# Application to vote by post or proxy for an indefinite period on the grounds of employment, occupation or service

If you are unable to go to your polling station to vote at an election because of your or your spouse's/civil partner's occupation, service or employment and that is likely to last for at least two years, you can use this form to apply to vote by post or to appoint a proxy to vote on your behalf. Please read these notes carefully before completing the form. If you have any questions please phone the Electoral Office Helpline on 0800 4320 712.

## Completing the application form

**1** Complete your personal details. The information you provide and your signature will be compared with the information previously given on your registration form to check that they correspond. **If you are unable to sign this form you should consider appointing a proxy as your signature will be needed at a later stage in the processing of a postal vote.**

**2** Provide the reason for the application and tick the relevant box.

**Please ensure you provide sufficient detail to support your application or your application may be refused.**
