

GUIDANCE NOTES

PERMANENT PROXY VOTE – OWN SELF EMPLOYMENT

1. You should use this form only if you are applying for a proxy vote on the grounds of your self employment and these grounds are likely to last for more than two years. If the grounds are likely to last for a shorter period you should apply for an absent vote at each election when it is called.
2. Application forms for absent votes at a particular election will be available from our Helpline or on www.eoni.org.uk as soon as the election is called. Please read these notes carefully and make sure you have completed all relevant parts of the form before you submit it. If it is not completed correctly it will be returned to you for correction. If you have any questions please phone our Helpline on 0800 4320 712 (text phone 0800 3284 502).
3. The information you give on the form will be checked. It is a serious criminal offence for any person to give false information on the form. If it is suspected that you have given false information the case will be referred to the police for investigation. A person convicted of giving false information could be sent to prison for up to two years or fined an unlimited amount or both.
4. Please either post your completed application, along with any supporting documents, to your local Electoral Office or deliver it, or have it delivered, there. For the address and opening hours of your local office please phone the Helpline or visit www.eoni.org.uk.
5. We will write to you telling you the result of your application normally within 5 working days of receiving it. If you send in your application just before an election it may take us a little longer to deal with it and we may not be able to give you a chance to correct anything in time for that election. Please send in your form as soon as possible.
6. If your application for a proxy vote is granted we will notify your proxy who will be able to vote for you. You will not need to do anything else but please remember to tell your local Electoral Office if your circumstances change or if you move house..
7. You can name as your proposed proxy anyone you wish provided he / she is –
 - a. not subject to any legal incapacity (other than age) to vote at an election; and
 - b. a British, a qualifying Commonwealth or Irish citizen.

But no one will be able to vote for you as a proxy until he/she is 18 years of age and no one can vote as a proxy for more than two electors who are not his/her husband, wife, civil partner, child, grandchild, brother, sister, parent or grandparent.
