

## GUIDANCE NOTES

## PERMANENT POSTAL VOTE – OWN EDUCATION

1. You should use this form only if you are applying for a postal vote on the grounds of your own education and these grounds are likely to last for more than two years. If the grounds are likely to last for a shorter period you should apply for an absent vote at each election when it is called. Application forms for absent votes at a particular election will be available from our Helpline or on [www.eoni.org.uk](http://www.eoni.org.uk) as soon as the election is called.
2. Please read these notes carefully and make sure you have completed all relevant parts of the form before you submit it. If it is not completed correctly it will be returned to you for correction. If you have any questions please phone our Helpline on 0800 4320 712 (text phone 0800 3284 502).
3. If you signed your last registration application and cannot now sign this form you should consider applying for a proxy vote instead of a postal vote. That is because at a later stage of the postal vote process you will have to sign a declaration of identity and unless the signature on it corresponds with your signature on your last registration application your vote will not be counted. If you were unable to sign your last registration application you would not have to sign a declaration of identity so you can ask a witness to complete the rest of section 4 for you.
4. The information you give on the form will be checked. It is a serious criminal offence for any person to give false information on the form. If it is suspected that you have given false information the case will be referred to the police for investigation. A person convicted of giving false information could be sent to prison for up to two years or fined an unlimited amount or both.
5. Please either post your completed application, along with any supporting documents, to your local Electoral Office or deliver it, or have it delivered, there. For the address and opening hours of your local office please phone the Helpline or visit [www.eoni.org.uk](http://www.eoni.org.uk).
6. We will write to you telling you the result of your application normally within 5 working days of receiving it. If you send in your application just before an election it may take us a little longer to deal with it and we may not be able to give you a chance to correct anything in time for that election. Please send in your form as soon as possible.
7. If your application is granted a ballot paper will be posted to you about two weeks before each election. Please remember to tell your local Electoral Office if your circumstances change or if you move house.
