

Dear Sirs

I refer to your correspondence dated 16 March 2007 wherein you requested original copies of absent voting forms for the above persons. Said forms are enclosed.

As you can see, neither form has been attested so both applications were rejected. In addition, _____ is no longer listed on the electoral register, and would therefore not have been eligible to vote at the Assembly election on 7 March.

If you have any queries please contact me.

Yours faithfully,

Information Officer
