

Dear

The updated polling station scheme has now been published. This link <http://www.eoni.org.uk/index/polling-stations.htm> will take you the page on our website where they can be found. Each document lists the polling stations to be used at the forthcoming election on 7 March and their addresses.

We will not be releasing the names of Presiding Officers at polling stations as this information is exempt information under Section 40 (Personal Information) of the Freedom of Information Act 2000.

Regards,
